Brain Tumor Topics:

Find A Brain Tumor Treatment:

There are a LOT of brain tumor treatments listed on this site. We organized them in a few ways to make it easier to find one that might apply to your case.

- **Browse New Listings:** This is a listing of the brain tumor treatments that were added to the site recently. This does not mean they are new - just that they were recently submitted to our site or recently updated or confirmed.

Brookdale Hospital

Michael Schulder, MD
Medical School Of NJ

Robert G. Selker, MD

Cancer Institute

- **Browse By Brain Tumor Type:** This is a listing of types of brain tumors, for example: **Glioblastoma Multiforme**, **Anaplastic Astrocytoma**, **Acoustic Neuroma**, and many others. When you click on the brain tumor type, you get a list of treatments for that type of brain tumor.
- **Browse By Type Of Treatment:** you can browse through lists of treatments grouped by the type of treatment involved. Select from:
 1. brain tumor treatments involving **Surgery**
 2. brain tumor treatments involving **Radiation**
 3. brain tumor treatments involving **Chemotherapy**
 4. brain tumor treatments involving **'Less-Toxics'**
 5. brain tumor treatments involving **Immunotherapy / Gene therapy**
- You can search for a specific brain tumor treatment by:
 1. **Keyword Search:** Enter a single word, or multiple words separated by commas, and hit the 'Search' button. This will return a list of all treatments that have those words in 'Name', 'Conditions' or 'Comments' section of the listing. For example - search for the words "Brain, Tumor, Tamoxifen".
 2. **Advanced Search:** This choice brings you to a menu where you can narrow down the listing to just the tumor type, treatment type, location, facility and/or doctor that interests you. For example - you can use this to find all 'less toxic' treatments for glioblastomas.
- If you know of an important treatment not listed here: **Submit A Treatment To Our Database.** You need a lot of details about the treatment, so you may want to just print out the form and give it to your doctor and let them return it to us!

Learn About Treatments For Brain Tumors
